

# Peach Preserve

Darbo's popular all natural preserves in the attractive 28g mini jar has a new addition: The Peach Preserve with 55% fruit combines the aromatic sweetness and slightly tangy touch of ripe, juicy peaches. Only the best, very carefully selected fruits are used, which helps to preserve the full fruit flavor. However, it is not only the taste that makes our exclusive Darbo preserves so special – it is also the way they are presented on the table. The culinary experience is complemented by visual appeal, and with its contemporary range and variety, Darbo helps to enhance the establishment's reputation and to ensure its guests complete satisfaction.
