# Pomodorina Sauce

Pomodorina Sauce has been Menu's top-selling product for over 40 years. This famous sauce is produced in Italy only once a year during the peak of the tomato season. Menu's Pomodorina is a true Neopolitan style marinara, made with celery, carrots, onions, fresh basil and only GMO-free Roma tomatoes. This best selling sauce is versatile for any cuisine and yields an uncommonly fresh upscale appearance and flavor. Menu Pomodorina looks and tastes like it is fresh from your garden.

**Application:** Use "as is" for the freshest tomato sauce, Pomodorina makes a beautiful bisque, and is used across all menu categories and cuisines, adding a beautiful fresh color and flavor to all of your dishes
